To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

In forwarding herewith a letter dated 8-12-1949 received from the President, N.G.O.'s Association, Civil Station, Bangalore, I write to state definite terms and conditions were offered to the Staff of the Civil Station, Bangalore and they were given time for one month to consider the matter before giving their final decision whether to accept them or not. It was open to them to have put forth any of the conditions but as they have accepted them, the question of reversion from the Mysore Government Service cannot be accepted now.

The letter is however forwarded for such action as is deemed fit by Government.

To

Through:- The Chief Secretary to the Government of H.H. the Maharaja of Mysore, Bangalore.

Through:- The Deputy Commissioner, Bangalore Dist.(Urban) & Liason Officer, Bangalore.

Sir,

The Non-Gazetted Government Officers of the Civil Station, Bangalore wish to represent as follows:-

Consequent on Retrocession of the Civil & Military Station, Bangalore to Mysore Durbar the Government Servants of the Civil Department Services were absorbed in Mysore Government Services under certain terms and conditions embodied in Order No.3570-71, C.B.217-481 dated 25-11-1948 of the Government of Mysore. It is needless to mention here and that many elected to serve in Mysore Government as they had no alternative employment and had to accept the terms for fear of loss of career. Their pay and prospects have received a severe set back on account of the above constitutional changes and all the Government Servants so transferred to Mysore Service have lost heavily by way of Dearness Allowance, House Rent Allowance and Compensatory Allowances etc., sanctioned to them by the Central Government according to Central Pay Commission Recommendations, besides chances of rapid promotions, confirmations etc. This has already been brought to the notice of the Chief Secretary to Govt. by this Association in their letter dated 12-8-1949 which is under consideration of Government of Mysore.

2. Now that some departments of Mysore Government like the Income Tax, Audit and Accounts etc., will be integrated with the Centre, some permanent and Temporary Government Officials(about 100) working in other Departments in the Civil Station would like to be re-transferred to the Departments to be taken over by the Centre as they would thereby get better scales of pay and enhanced allowances admissible to Central Government Servants. On account of the option now given to the officials in the Income Tax Department either to serve under Mysore Government or to join the Central Unit Department, and in filling up such vacancies or in making new appointments in the Audit and Accounts Departments preference may be given to Civil Station Officials transferred to Mysore Government due to Retrocession of Civil Station. In view of the altered conditions since their absorpotion in Mysore Government Service, the Civil Station Officials request they may now be given a fresh opportunity to express their preference for service in the Mysore Government or in the Central Unit viz., Income Tax, Audit and Accounts, Communications etc.,

P.T.O.

As this is an important matter concerning the career and prospects of several Government Servants who have been serving the Central Government for several years and were transferred to Government of Mysore only since the last 2 years, the members of this Association will feel highly grateful if this request is allowed by the Government.

Yours faithfully,

PRESIDENT.
